

Agape Award

The Agape Award recognizes volunteers who display a love for Alpha Sigma Alpha and its members. Recipients seek at all times to advance the interests of others and to spread the positive influence of Alpha Sigma Alpha. National council created this award specifically to recognize volunteer leaders who have made a significant difference in the lives of members and have propelled the mission and strategic plan of the Sorority forward. The Agape Award may be given to one, two or three recipients.

Below, we recognize the past recipients who have earned this honor:
